5 PERCENT DISCOUNT ON ORDERS OF 50,000 OR OVER

With our longer growing season in Arkansas our bulbs have been harvested and cured early and will be ready to go in December. We have fine bulbs again this year and our stock is guaranteed true to name and free from apparent diseases and thrip. Full size and count, hand-graded, and selected. Since we have no control over growing conditions, we will not be responsible for results obtained. Our bulbs are hand-dug, hand-cleaned, and graded, and are not mutilated or bruised by machinery. Field and storage are State-Inspected. Cash with order or 25% deposit, balance C.O.D. A 25% deposit will hold bulbs until shipment is desired, providing it does not exceed April 1st, unless other provisions are made.
